World Of Feng Shui Canada opened its first boutique in Toronto

Today Daily News

7th May 2006

Canada's first World of Feng Shui boutique opens in Vaughan Mills. This fast growing World of Feng Shui franchises now have more than 50 branches worldwide, and Toronto is the first city to introduce the Feng Shui in Canada.

Lillian Too is the founder of World Of Feng Shui, as well an international Feng Shui expert and best-

selling author. After graduating with an MBA from Harvard Business School, Lillian embarked on a corporate career and became the first woman in Malaysia to head a public listed company. In 1982, she became the first female CEO of an Asian Bank. Lillian owes her incredible luck & many successes in her career & business activities to her in depth knowledge of Feng Shui which she has been applying to every aspect of her life. At the age of 45, Lillian retired from the banking and corporate world, and put all her effort in her Feng Shui business. The first World Of Feng Shui opened in Kuala Lumpur in January 2001, and then slowly extends her franchise business all over the world.

Lillian Too is the world's best recognized and highest selling author of book on Feng Shui, having sold millions of copies of more than 80 books on the subject. Her titles have been translated into over 30 languages. On the other hand, she also publishes the hot selling "Feng Shui World" magazine and lectures in Feng Shui courses.

The mission of World Of Feng Shui is to use the Feng Shui theory and regular pattern, to reveal the mysterious and secret of Feng Shui, which can apply into the resident house, business, love and etc. This is the way to harmonized the natural energy with the human being, and this is what we call the combination of heaven, earth and human (tian, di ,ren).
