

World Of Feng Shui Arrives In Canada... The Land of Maple Leaves!

Canada's first World of Feng Shui boutique opens May 6th 2006 in Greater Toronto Area (GTA), Canada's largest city. The new store is located in a shopping complex next to Vaughan Mills, the innovative 1.2 million-square-foot enclosed shopping centre located in the City of Vaughan, a fast growing suburb located just north of Toronto better known as the "City Above Toronto". The location was chosen mainly because it is easily accessible to all Torontonians.

The store will carry merchandise that is familiar to World of Feng Shui customers around the world and will offer consulting services for the home and office. All consultations will be undertaken by Dee Juhl / Dolly Sidhu, both graduates of the Lillian Too Institute of Feng Shui.
